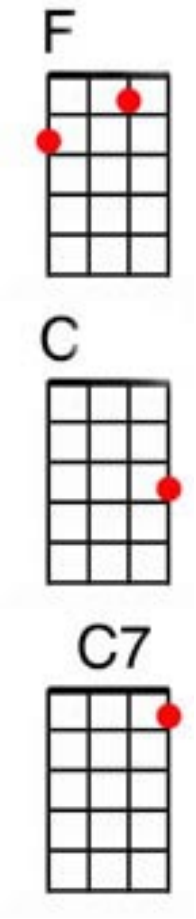
Hush Little Baby (Mockingbird Song)



F C
Hush, little baby, don't say a word
C7 F
Mama's going to buy you a mocking bird.

F C
And if that mocking bird don't sing
C7 F
Mama's going to buy you a diamond ring.

F C
And if that diamond ring turns brass,
C7 F
Mama¹s going to buy you a looking glass.

F C
And if that looking glass gets broke
C7 F
Mama's going to buy you a billy goat.

F C
And if that billy goat don't pull
C7 F
Mama¹s going to buy you a cart and bull.

F C
And if that cart and bull turns over
C7 F
Mama's going to buy a dog named Rover.

F C
And if that dog named Rover don't bark,
C7 F
Mama's going to buy you a horse and cart

F C
And if that horse and cart fall down,
C7 F
You¹ll still be the sweetest girl in town.
