

# MoonGlow

Words and Music by Will Hudson, Eddie Delange and Irving Mills - 1934

## Chorus:

**C** It must have been MOONGLOW,  
**G** way up in the blue.  
**C** It must have been MOONGLOW,  
**G** that led me straight to you.  
**C** I still hear you saying,  
**G** "Dear one, hold me fast."  
**C** And I start in praying  
**G** Oh Lord, please let this last.  
**G7** We seemed to float right thru the air.  
**A7** Heavenly songs seemed to come from ev' ry where.  
**C** And now when there's MOONGLOW  
**G** way up in the blue,  
**C** I always remember  
**G** that MOONGLOW gave me you. **(D7 repeat Chorus)**
